Bureau of Educational and Cultural Affairs (ECA) Request for Grant Proposals: Youth Leadership Programs: South Asia and Southeast Asia

Announcement Type: New Grants

Funding Opportunity Number: ECA/PE/C/PY-09-39

Catalog of Federal Domestic Assistance Number: 19.415

Application Deadline: May 14, 2009

Executive Summary: The Office of Citizen Exchanges, Youth Programs Division, of the Bureau of Educational and Cultural Affairs announces an open competition for two Youth Leadership Programs, one for 21 exchange participants from three countries in South Asia (Nepal, Sri Lanka, and the Maldives) and one for 50-60 participants from countries in Southeast Asia that are members of the Association of South East Asian Nations (Brunei, Burma, Cambodia, Indonesia, Laos, Malaysia, the Philippines, Singapore, Thailand, and Vietnam). Public and private non-profit organizations meeting the provisions described in Internal Revenue Code section 26 USC 501(c)(3) may submit proposals to conduct 25-day U.S.-based exchanges program for high school students and teachers from one of these regions. The activities will focus on civic education, leadership, diversity, and community activism, which will prepare participants to conduct projects at home that serve a community need.

I. Funding Opportunity Description:

Authority: Overall grant making authority for this program is contained in the Mutual Educational and Cultural Exchange Act of 1961, Public Law 87-256, as amended, also known as the Fulbright-Hays Act. The purpose of the Act is “to enable the Government of the United States to increase mutual understanding between the people of the United States and the people of other countries...; to strengthen the ties which unite us with other nations by demonstrating the educational and cultural interests, developments, and achievements of the people of the United States and other nations...and thus to assist in the development of friendly, sympathetic and peaceful relations between the United States and the other countries of the world.” The funding authority for the program above is provided through legislation.

Purpose: The Bureau of Educational and Cultural Affairs (ECA) is supporting two new Youth Leadership Programs, one with three countries in South Asia (Nepal, Sri Lanka, and the Maldives) and one with up to ten countries in Southeast Asia, member states of the Association of South East Asian Nations (ASEAN). Each program will feature exchanges to the United States that are 25-days-long for teenagers (ages 15-17) and adult educators. The grant recipients will design and implement the U.S. exchange activities. U.S. Embassies in the participating countries will recruit, screen, and select the participants; arrange international travel to the United States; and work with alumni.

These programs are designed to promote high-quality leadership, civic responsibility, and civic activism among our countries’ future leaders. They will offer a practical examination of the principles of democracy and civil society as practiced in the United States and provide

participants with training that allows them to develop their leadership skills. The applicant should present a program plan that allows the participants to thoroughly explore civic education in the United States in a creative, memorable, and practical way. Activities should be designed to be replicable and provide practical knowledge and skills that the participants can apply to school and civic activities at home. The English-speaking participants will live with American families for the majority of the exchange period. Multiple opportunities for participants to interact with American youth and educators must be included.

The goals of the program are:

- 1) To promote mutual understanding between the people of the United States and the people of the partner countries;
- 2) To develop a sense of civic responsibility and commitment to community development among youth;
- 3) To develop leadership skills among secondary school students appropriate to their needs; and
- 4) To foster relationships among youth from different ethnic, religious, and national groups.

A successful program will be one that nurtures a cadre of students and teachers to be actively engaged in addressing issues of concern in their schools and communities upon their return home and that equips them with the knowledge, skills, and confidence to become citizen activists.

The Bureau anticipates providing two grants to support two discrete Youth Leadership Programs, one for each region. Note that the grant funds available through this solicitation are not intended to cover the international airfare for the exchange participants. Organizations may submit only one proposal, for either the South Asia program or the Southeast Asia program. The two programs will be judged independently and proposals will be compared only to proposals for the same region. ECA intends to award only one grant for each program.

Project A: South Asia Youth Leadership Program

One grant. Funding for this grant is approximately \$95,000.

The program will be offered for 21 participants – six students and one educator from each of the three participating countries: Nepal, Sri Lanka, and the Maldives.

Applicants should propose 25-day exchange program in the United States that will take place between late November 2009 and late March 2010. Applicants should propose the period of the exchange based on this timeframe, but the exact timing of the project may be altered through the mutual agreement of the Department of State and the grant recipients.

In addition to the themes of civic education, community service, and leadership, applicants are invited to include sub-themes on care for the environment, media literacy, and/or drug abuse prevention, particularly as a mechanism for seeing what their peers in the United States are doing in these areas and as a tool for exploring the primary themes of the program.

Project B: Southeast Asia Youth Leadership Program

One grant. Funding for this grant is approximately \$275,000.

All ten member states of the Association of Southeast Asian Nations (ASEAN) are eligible though not all may send participants: Brunei, Burma, Cambodia, Indonesia, Laos, Malaysia, the Philippines, Singapore, Thailand, and Vietnam.

The program will be offered for a total of approximately 50 to 60 participants. Participant numbers may be increased slightly; therefore, applicants should indicate the extent of their flexibility in accommodating additional participants, both programmatically and financially. The ratio of students to educators will be approximately 5:1 or 6:1.

Applicants should propose to implement two 25-day U.S. exchanges, one in late November/December 2009 and one in April 2010. Each exchange delegation will have between 20-35 participants, together totaling the anticipated 50-60 participants. The size of the two delegations might or might not be equal.

In addition to the themes of civic education, community service, and leadership, applicants should include the sub-themes of environmentalism and entrepreneurship, particularly as a way to illustrate the primary themes.

For Both Programs:

Applicant organizations should outline their capacity for doing projects of this nature, focusing on three areas of competency of the staff directly associated with the program: (1) provision of leadership and civic education programming, (2) age-appropriate programming for youth, and (3) demonstrated understanding of and experience in programs with the specified geographic region. Applicants need not have a partner in the participating countries, as the staff of the Public Affairs Section (PAS) of the U.S. Embassies will recruit and select the participants and provide a pre-departure orientation.

Guidelines:

The grants will begin on or about August 15, 2009, pending the availability of funds. The grant period will be 12 to 18 months in duration, as appropriate for the applicant's program design. Applicants should propose the period of the exchange(s) based on the timeframes noted above, but the exact timing of the project may be altered through the mutual agreement of the Department of State and the grant recipients. The exchange period should be no less than 25 days, including international travel time.

The participants will be students between the ages of 15 and 17 who have demonstrated leadership potential in their schools and/or communities. The educators will be high school teachers, or possibly community leaders who work with youth, who have demonstrated an interest in promoting youth leadership. Participants will be proficient in the English language.

In pursuit of the goals outlined above, the grant recipients will provide the following:

- Information about the U.S. program and pre-departure materials to help the U.S. Embassies, participants, and their families in preparation for the exchange.

- A welcome orientation.
- Activities in one or two communities in the United States that provide a substantive program on civic education, community activism, and leadership through both academic and extracurricular components. A portion of the program, from two to six days, should be in Washington, DC (required for South Asia program; strongly encouraged for Southeast Asia program). Activities should take place in schools and in community settings. Community service must be included. It is crucial that programming involve American students whenever possible.
- Opportunities for the educators to work with their American peers to help them foster youth leadership, civic education, and community service programs at home.
- Homestay arrangements with properly screened and briefed American families for the majority of the exchange period.
- Logistical arrangements, disbursement of stipends, local travel, travel between U.S. sites, lodging and meals when not in the homestay.
- A closing session to summarize the project activities and prepare participants for their return home.
- Guidance on follow-on activities, in coordination with the U.S. Embassies, in order to advise the participants who have returned home on how to apply what they have learned during the exchange to address a community need.

The proposal narrative must provide detailed information on the program activities outlined above, and applicants should explain and justify their programmatic choices. Proposals must demonstrate how the stated objectives will be met. Programs must comply with J-1 visa regulations for the International Visitor and Government Visitor categories.

It is essential that all applicants refer to the three documents in the complete Solicitation Package – this Request for Grant Proposals (RFGP), the Project Objectives, Goals, and Implementation (POGI), and the Proposal Submission Instructions (PSI) – for further information.

Additional Information: Pending successful implementation of this program and the availability of funds in subsequent fiscal years, it is ECA's intent to renew this grant for two additional fiscal years, before openly competing it again.

III. Eligibility Information:

III.1. Eligible applicants: Applications may be submitted by public and private non-profit organizations meeting the provisions described in Internal Revenue Code section 26 USC 501(c)(3).

III.2. Cost Sharing or Matching Funds: There is no minimum or maximum percentage required for this competition. However, the Bureau encourages applicants to provide maximum levels of cost sharing and funding in support of its programs. Please note that cost sharing is one of the criteria by which proposals will be judged.

When cost sharing is offered, it is understood and agreed that the applicant must provide the amount of cost sharing as stipulated in its proposal and later included in an approved grant agreement. Cost sharing may be in the form of allowable direct or indirect costs. For accountability, you must maintain written records to support all costs which are claimed as your contribution, as well as costs to be paid by the Federal government. Such records are subject to audit. The basis for determining the value of cash and in-kind contributions must be in accordance with OMB Circular A-110, (Revised), Subpart C.23 - Cost Sharing and Matching. In the event you do not provide the minimum amount of cost sharing as stipulated in the approved budget, ECA's contribution will be reduced in like proportion.

III.3. Other Eligibility Requirements:

III.3.a. Bureau grant guidelines require that applicant organizations and sub-award organizations with less than four years experience in conducting international exchanges be limited to \$60,000 in Bureau funding. ECA anticipates awarding two grants, each exceeding \$60,000, to support program and administrative costs required to implement this exchange program. Therefore, organizations with less than four years experience in conducting international exchanges at the time of application are not eligible to apply under this competition.

III.3.b. The Bureau encourages applicants to provide maximum levels of cost sharing and funding in support of its programs.

IV. Application and Submission Information:

Note: Please read the complete announcement before sending inquiries or submitting proposals. Once the RFGP deadline has passed, Bureau staff may not discuss this competition with applicants until the proposal review process has been completed.

If your organization is a private nonprofit which has not received a grant or cooperative agreement from ECA in the past three years, or if your organization received nonprofit status from the IRS within the past four years, you must submit the necessary documentation to verify nonprofit status as directed in the PSI document. Failure to do so will cause your proposal to be declared technically ineligible.

IV.3d. Please take into consideration the following information when preparing your proposal narrative:

IV.3d.1 Adherence To All Regulations Governing The J Visa

The Office of Citizen Exchanges of the Bureau of Educational and Cultural Affairs is the official program sponsor of the exchange program covered by this RFGP, and an employee of the Bureau will be the "Responsible Officer" for the program under the terms of 22 CFR 62, which covers the administration of the Exchange Visitor Program (J visa program). Under the terms of 22 CFR 62, organizations receiving awards (either a grant or cooperative agreement) under this RFGP will be third parties "cooperating with or assisting the sponsor in the conduct of the sponsor's program." The actions of recipient organizations shall be "imputed to the sponsor in evaluating the sponsor's compliance with" 22 CFR 62. Therefore, the Bureau expects that any organization receiving an award under this competition will render all assistance necessary to enable the Bureau to fully comply with 22 CFR 62 et seq.

The Bureau of Educational and Cultural Affairs places critically important emphases on the secure and proper administration of Exchange Visitor (J visa) Programs and adherence by recipient organizations and program participants to all regulations governing the J visa program status. Therefore, proposals should explicitly state in writing that the applicant is prepared to assist the Bureau in meeting all requirements governing the administration of Exchange Visitor Programs as set forth in 22 CFR 62. If your organization has experience as a designated Exchange Visitor Program Sponsor, the applicant should discuss their record of compliance with 22 CFR 62 et. seq., including the oversight of their Responsible Officers and Alternate Responsible Officers, screening and selection of program participants, provision of pre-arrival information and orientation to participants, monitoring of participants, proper maintenance and security of forms, record-keeping, reporting and other requirements.

The Office of Citizen Exchanges of ECA will be responsible for issuing DS-2019 forms to participants in this program.

A copy of the complete regulations governing the administration of Exchange Visitor (J) programs is available at <http://exchanges.state.gov> or from:

FAX: (202) 453-8640

IV.3d.2 Diversity, Freedom and Democracy Guidelines

Pursuant to the Bureau's authorizing legislation, programs must maintain a non-political character and should be balanced and representative of the diversity of American political, social, and cultural life. "Diversity" should be interpreted in the broadest sense and encompass differences including, but not limited to ethnicity, race, gender, religion, geographic location, socio-economic status, and disabilities. Applicants are strongly encouraged to adhere to the advancement of this principle both in program administration and in program content. Please refer to the review criteria under the 'Support for Diversity' section for specific suggestions on incorporating diversity into your proposal. Public Law 104-319 provides that "in carrying out programs of educational and cultural exchange in countries whose people do not fully enjoy freedom and democracy," the Bureau "shall take appropriate steps to provide opportunities for participation in such programs to human rights and democracy leaders of such countries." Public Law 106 - 113 requires that the governments of the countries described above do not have inappropriate influence in the selection process. Proposals should reflect advancement of these goals in their program contents, to the full extent deemed feasible.

IV.3d.3. Program Monitoring and Evaluation

Proposals must include a plan to monitor and evaluate the project's success, both as the activities unfold and at the end of the program. The Bureau recommends that your proposal include a draft survey questionnaire or other technique plus a description of a methodology to use to link outcomes to original project objectives. The Bureau expects that the recipient organization will track participants or partners and be able to respond to key evaluation questions, including satisfaction with the program, learning as a result of the program, changes in behavior as a result of the program, and effects of the program on institutions (institutions in which participants work or partner institutions). The evaluation plan should include indicators that measure gains in mutual understanding as well as substantive knowledge.

Successful monitoring and evaluation depend heavily on setting clear goals and outcomes at the outset of a program. Your evaluation plan should include a description of your project's objectives, your anticipated project outcomes, and how and when you intend to measure these outcomes (performance indicators). The more that outcomes are "smart" (specific, measurable, attainable, results-oriented, and placed in a reasonable time frame), the easier it will be to conduct the evaluation. You should also show how your project objectives link to the goals of the program described in this RFGP.

Your monitoring and evaluation plan should clearly distinguish between program outputs and outcomes. Outputs are products and services delivered, often stated as an amount. Output information is important to show the scope or size of project activities, but it cannot substitute for information about progress towards outcomes or the results achieved. Examples of outputs include the number of people trained or the number of seminars conducted. Outcomes, in contrast, represent specific results a project is intended to achieve and is usually measured as an extent of change. Findings on outputs and outcomes should both be reported, but the focus should be on outcomes.

We encourage you to assess the following four levels of outcomes, as they relate to the program goals set out in the RFGP (listed here in increasing order of importance):

1. **Participant satisfaction** with the program and exchange experience.
2. **Participant learning**, such as increased knowledge, aptitude, skills, and changed understanding and attitude. Learning includes both substantive (subject-specific) learning and mutual understanding.
3. **Participant behavior**, concrete actions to apply knowledge in work or community; greater participation and responsibility in civic organizations; interpretation and explanation of experiences and new knowledge gained; continued contacts between participants, community members, and others.
4. **Institutional changes**, such as increased collaboration and partnerships, policy reforms, new programming, and organizational improvements.

Please note: Consideration should be given to the appropriate timing of data collection for each level of outcome. For example, satisfaction is usually captured as a short-term outcome, whereas behavior and institutional changes are normally considered longer-term outcomes.

Overall, the quality of your monitoring and evaluation plan will be judged on how well it 1) specifies intended outcomes; 2) gives clear descriptions of how each outcome will be measured; 3) identifies when particular outcomes will be measured; and 4) provides a clear description of the data collection strategies for each outcome (i.e., surveys, interviews, or focus groups). (Please note that evaluation plans that deal only with the first level of outcomes [satisfaction] will be deemed less competitive under the present evaluation criteria.)

Recipient organizations will be required to provide reports analyzing their evaluation findings to the Bureau in their regular program reports. All data collected, including survey responses and

contact information, must be maintained for a minimum of three years and provided to the Bureau upon request.

IV.3e. Please take the following information into consideration when preparing your budget:

Applicants must submit a comprehensive budget for the entire program. There must be a summary budget as well as breakdowns reflecting both administrative and program budgets. Applicants may provide separate sub-budgets for each program component, phase, location, or activity to provide clarification.

Please refer to the POGI and PSI for complete budget guidelines and formatting instructions.
